LACTIC ACID BACTERIA IN THE GENOMIC ERA

VI International Symposium on Lactic Acid Bacteria I Argentinean-Japanese Lactic Acid Bacteria “Tohoku Forum for Creativity” Meeting

8-9 August 2024 – San Miguel de Tucuman (TUCUMAN, ARGENTINA)

This scientific meeting will revise the recent advances in the basic knowledge of lactic acid bacteria and their applications in biotechnology, human and animal health. The meeting is aimed at researchers, professionals, technicians, businessmen, company members, and postgraduate and undergraduate students related to Microbiology, Biotechnology, Immunology and Genomics of lactic acid bacteria.

LOCATION: Centro Cultural Eugenio Flavio Virla, 25 de Mayo 265, T4109 San Miguel de Tucumán, (4000), Tucumán, Argentina.

DATE: 8-9 August 2024

WEB PAGE: sibal2024.com

INVITED SPEAKERS: Drs. **Haruki Kitazawa** (Japan), **Paul Cotter** (Ireland), **Tomonori Nochi** (Japan), **Hitoshi Shirakawa** (Japan), **Katia Sivieri** (Brazil), **Roxana Medina** (Argentina), **Graciela Lorca** (USA), **Jorge Gutierrez-Merino** (United Kingdom), **Eugenio Parente** (Italy), **Victor Blancato** (Argentina), **Francesca Fanelli** (Italy), **Alexis Salas Burgos** (Chile), **Fu Namai** (Japan).

REGISTRATION FEES: Early bird price until **30/06/2024**:

PROFFESIONAL	\$ 35.000
UNDERGRADUATE STUDENT	\$ 10.000
FOREING PROFFESIONAL OR STUDENT	U\$S 100

Standard price from **30/06/2024**:

PROFFESIONAL	\$ 60.000
UNDERGRADUATE STUDENT	\$ 15.000
FOREING PROFFESIONAL OR STUDENT	U\$S 150

For registration in the SIBAL-AJLAB please use: <https://bit.ly/sibal2024-registration>

Only online registrations will be accepted. Once the form has been completed and sent via the web, you will receive an automatic email confirming receipt of your registration request.

Foreigners: registration payment will be received at the start of the SIBAL-AJLAB activities before the opening ceremony, after confirmation of registration via the web. The date of sending the registration form will be considered.

PRECONGRESS COURSE

“Microbiota, probiotics and liver diseases”

7 August 2024 – On-line (8.30-12.30 hs)

INVITED SPEAKERS: Drs. **Cristina Llorente** (USA), **Annette Brandt** (Austria), **Paulraj Kanmani** (USA), **Guadalupe Vizoso Pinto** (Argentina).

The pregress course is not subject to an additional fee.

PAYMENT

Registration payment can be made: **By cash or bank transfer.**

Final Registration: To complete your registration, please submit the registration form via the website. You will be prompted to attach a scanned copy of your proof of payment. Upon receipt, SIBAL-AJLAB will issue an official receipt for the registration payment based on the information provided in the Registration Form.

Kindly review the billing details before submitting the form.

FOR BANK TRANSFER

BANCO BBVA ARGENTINA S.A.
Cuenta Corriente N°0215-024527/2
CBU 017021582000002452728
A nombre de FUNDACIÓN INNOVA-T

ABSTRACT SUBMISSION

Each registrant may present up to two (2) abstracts to be considered for the poster sessions. The deadline for the submission of abstracts will be **Sunday, June 30, 2024**. Submissions must align with one of the thematic areas outlined by the Organizing Committee of SIBAL-AJLAB and will undergo evaluation by peer reviewers overseen by the Scientific Committee of the event.

Thematic areas:

1. Lactic acid bacteria and human health
2. Lactic acid bacteria and animal health
3. Metabolism and physiology of lactic acid bacteria
4. Applied biotechnology of lactic acid bacteria
5. Molecular biology and genomics of lactic acid bacteria

The acceptance of the abstracts by the Scientific Committee will be subject to the scientific level and relevance to the themes of the symposium. The decision will be notified to the corresponding author.

Authors of abstracts selected for oral presentation will be notified prior to the commencement of the event. The secretary of SIBAL-AJLAB will communicate in a timely manner to provide instructions on oral presentations.

INSTRUCTIONS FOR ABSTRACTS SUBMISSION

The submission of abstracts (written in English) should be done through the 'upload abstracts' tab on the website. The abstract must be contained within a space of 14 x 20 cm. A word processor (MSWord format), Calibri font and simple line spacing must be used, respecting the following order:

1st paragraph. TITLE (bold font, capital letters and size 12pt.): leave a left margin of 2 cm on the first line of the title where the summary number will later be incorporated.

2nd paragraph. Initials and last names of the authors (normal, size 11 pt.). Highlight in bold the author who will present the work.

3rd paragraph. Place where the work was carried out (normal, size 11 pt.). Enter: unit, institution, complete postal address, and the email address of only one of the authors (ESSENTIAL). If authors belonged to more than one institution, add a superscript to the last name and then identify each institution with the corresponding superscripts.

Leave a line blank.

4th paragraph onwards: abstract (normal, size 11 pt.). Record introduction, objective/s, methods, results, and conclusions. DO NOT use subtitles (Introduction, Objectives, Methods, etc.). DO NOT include references.

Template for abstracts is available in sibal2024.com

Important: Abstracts with a style different from that indicated will not be accepted. Abbreviations will follow the words, in parentheses. Presenting results as tables or graphs in the summary will not be allowed.
